

## Leadership Commission

### Helping Leaders Lead & Succeed

is the goal of the Leadership Commission as members are recruited for the various commissions, boards, and committees of the church.

The Leadership Commission requests participation of active church members for the Council, the eight Commissions of the church and the PUNS Board. This leadership slate of nominations is then presented to the Congregation for a formal vote of approval at the Annual Meeting. If requested, the Leadership Commission also provides suggestions to church committees to meet their special needs for participants.

*Serving on the Leadership Team I have come to realize that everyone has a talent and a gift to share. Often it is so second nature that we don't realize that it can really make a difference. Occasionally we resist the power and the grace and the gifts God gives us. When I listened to how I might best serve, it became clear how I could help the church I love.*

*In all your ways acknowledge him,  
and he will make your paths straight.*
