

## Parkway United Nursery School

### Caring for the youngest in our community

has been a vital component of Parkway's community outreach since our weekday preschool was established in 1970. Parkway United Nursery School (or PUNS as it is fondly called) has grown from one class of students to classes ranging in age from 2 ½ to 5 years old. PUNS offers a developmentally appropriate curriculum which enables children to experience social, emotional, intellectual, spiritual, and physical growth. In 1987 our school was awarded Voluntary Accreditation by the Missouri Board, which recognizes the excellence of our early childhood program. In addition to the preschool program, the Parent's Day Out Program provides nurturing care for children ages 2 –3 years old.

### In Our Outreach

The PUNS Board is responsible for developing policy for the preschool, overseeing the fiscal health of the preschool, and providing support for the director. The board meets bi-annually.

*PUNS is one of our most successful outreach programs. The families of our community are well served by this thriving preschool. It exemplifies our offering to the community at large... that we are a faith-based family wanting to share what we have with others.*

**~Oshi Gashi Mas**

*My son, keep your father's commandment, and forsake not your mother's teaching*

**Proverbs 6:20**
