

# THE GRAND BLVD. HUG-IN

**FEBRUARY 4**

**2 PM – 5 PM**

## LET'S BRIDGE THE CROSS-CULTURAL GAP!

Whether you are of a different race or religion, have a physical challenge, are a member of the LGBT community, are an immigrant or refugee, or even support a different political party, we want you to come! Bridging that cross-cultural gap and nurturing community closeness with a simple hug is only the first step. We all share the desire to feel welcomed and to be a part of a dynamic and diverse community. What makes us all different could be the one thing to bring us together.
